ADDITIONS IN THIS RELEASE

Module	Services	Description	Path
Assessments	Exam Corner	Smart Goals in Exam corner	LMS -> Exam Corner -> Smart Goals
Assessments	Exam Corner	Introducing Annotation 2.0 - Now we have 2 more tools to annotate assessments. These are shapes and emojis with the provision of resizing and moving them, along with the autosave facility. In the latest edition, the annotations can be edited even after being saved.	LMS -> Exam Corner -> Examination -> Evaluation
Attendance	Next Attendance and Next Reports	Now teachers can add remarks while marking students' attendance.	Attendance --> Student Attendance --> Mark Attendance
Examination	Next Examination	We have now introduced a credit system for American curriculum schools, along with subject mapping validations and a bulk upload option.	LMS -> Examination -> Student Credit Profile
LMS	Zoom regular LL	We have now added the option to enable Zoom waiting room from live lecture Timetable (normal zoom lectures).	Start Zoom (regular) LL and click the check box while scheduling the live lecture.
LMS	Exam Corner	For offline assessments, we can now accept the following file types: docx,ppt, pptx, mp3, and mp4. It is now also possible to do question-by-question evaluation in main exams and practice exams.	LMS -> Exam Corner -> Assessment Library

ADDITIONS IN THIS RELEASE

LMS	Feed & Activity in NLP app	Feedback and Activity tabs have now been added in NLP. Teachers can now create, edit or delete activity observations. In this section parents/teachers and students can view the posts and add comments. Parents can also create, edit or delete activity observations.	LMS -> Course ->. Feed
LMS	Exam corner	Assessments will now be auto-saved as a draft every 30 seconds. This feature will be available only when creating a new assessment or editing a draft assessment.	LMS -> Exam Corner -> Assessment Library
LMS	Exam corner	Now multiple assessments and question banks' Questions can be tagged and the visibility of Questions can be managed at once.	LMS -> Exam Corner -> Assessment Library
NLP	Exam corner	Now teachers can edit the marks for objective questions. Previously, objective questions were auto-evaluated and either zero or the full mark was given. With this change, teachers can edit marks to give partial scores also, if required.	LMS -> Exam Corner -> Examination -> Evaluation
NLP	Exam corner	Now teachers have the option to extend the exam duration of a proctored exam from the Proctoring Live Report.	LMS -> Exam Corner -> Examination -> Live

ADDITIONS IN THIS RELEASE

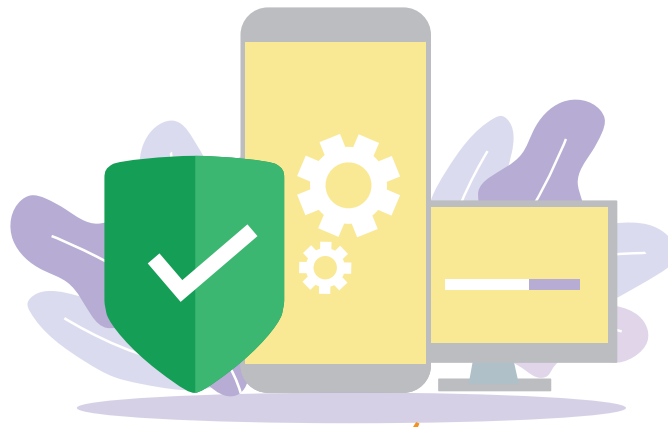

Payroll	Next Payroll	Now users can adjust the advances and loans in the Payroll module. The option to unmap salary components is also available now.	Payroll Setting --> Loans and Advances
Recruitment	On-Boarding	Employee onboarding options have been added to the system.	Recruitment --> Candidates --> Candidate Status Dashboard --> Move to Recruited
Staff	NextStaff	Now barcodes can be generated on staff ID cards.	Staff --> ID Card --> Download
NLP	Inventory	The Sale Return option is now available for students, using which the store in-charge can reverse a sale made to a student.	Inventory --> Transactions --> Sale
NLP	Inventory	Staff can now request to reverse a sale order, which would be processed by the store in charge.	Inventory --> My Transactions --> Sale Order

ADDITIONS IN THIS RELEASE

NLP	Inventory	For any sale return, credit notes can now be generated.	Inventory --> Transactions --> Sale --> Return Orders
NLP	Inventory	Opening stock can now be updated against Item in the Store.	Settings --> Inventory --> Store --> Products

Next LMS offers hybrid solutions to cater to both online as well as offline classes.
You can also conduct Zoom live classes with cloud recording.

INSTALLATION/UPGRADE NOTES

We highly recommend the use of Mozilla Firefox and Google Chrome browsers to access NLP. Find the latest versions at <https://support.mozilla.org/en-US/kb/update-firefox-latest-version>

Use the latest version of Adobe Reader for downloads. It can be accessed at <http://get.adobe.com/reader>
