Creating a **Brighter Tomorrow** for Today's Students

CONTENTS

Dear Sir/Madam,

In our endeavour to impart quality education, we have implemented our premier software, NextLearningPlatform (NLP), in your school. Our software aims to meet the dynamic needs of present-day schools. This software release incorporates a series of new features and improvements which include the following:

Various developments in the Course Plan page

Enhancements in Behaviour Module

Enhancements in Fee user interface

The Fee Defaulters list will be displayed on the class teachers' dashboard

Subject-level ranking will be displayed in the Report Card

ADDITIONS IN THIS RELEASE

Module	Subject	Path
Accounts	A Balance Sheet report has been introduced which will provide information about assets, liabilities and equity of the organisation. Further, these assets will be divided into current and fixed assets. Similarly, liabilities will also be divided into current and fixed liabilities.	Accounting > Reports > Balance Sheet
	Option to edit vouchers can be enabled or disabled for specific roles.	Accounting Settings > General Settings
Assignment	Now, assignments can be copied directly from the assignment creation page to other sections. After creating an assignment, teachers must select the 'Save & Copy' option. In the next window, they can choose other sections and they will be able to add or change recipients as well.	Teacher workspace > Assignment > Create > Save and Copy
Exam Corner	A filter has been added under Analytics in which a desired exam can be selected from the list to consider for Analytics.	Teacher Workspace > Exam Corner > Click on Analytics
Examination	Implementation of subject-level rankings for assessment, term, and overall level has been done, both class-wise and stream-wise. For subject-level rank to be displayed in Report Card, the 'Enable/Disable Subject Rank' toggle button on the rank configuration page must be activated (you will find the page in examination settings). However, manual key insertion is required in RC designer.	Examination > Examination Settings > Rank Configuration

ADDITIONS IN THIS RELEASE

|		
Fee	Now, the admission number can be used to retrieve parent and corresponding child details if primary contact is mapped in the payment collection screen search by PA.	Fee > Collect Fee
	The Fee Defaulters list will be displayed on the dashboard of the class teacher(s) based on the classes mapped to them.	Class Teacher Dashboard > Top Defaulters Widget
	Under the Fee Receipt History page, fee receipt can be viewed and printed from a pop-up directly and it need not to be downloaded first.	Fee > Collect Fee > Receipts History > Preview
	Now, a cheque can be moved to the bounced status directly from the received status. Not only this, but the cheque status can also be updated in bulk from the Cheque-DD payments page.	Fee > Collection Fee > Cheque-DD Payments > Select Multiple > Click on Change status
	Under fee reports, VAT will also be displayed in the historical fee due report as well as the Fine and concession column has been included in the fee paid due report.	Fee > Reports > Historical Fee Due Report
